are already in the city, prepared to submit proposals for sheet asphalt, bitulithic, wood block or asphalt block and the prospect is for a vigorous competition. The continuation of smooth paving on Broad Street vest of Third is not involved in this competition, the Washington Asphalt Block and Tile Company having of Greed to renew the present contract for another five blocks. The Administrative Roard has as yet taken no action on that matter. The paving is practically completed to Third sort of the strength of the streng daily session of the Administrative Board, and as certain routine duties, have to be attended to, it is reported that the Engineer's office is far behind in furnishing the estimates asked for, and in fact is in some danger of being swamped by the mass of busi-

Cement Contract Awarded.

The annual contract for furnishing the city with cement having been surthe city with cement having been surrendered by the Stephen A. Ellison Co.,
to whom it was awarded, the Administrative Board yesterday awarded the
contract to the next bidder, the C. P.
Lathrop Co., which has held the city
cement contract for the past five years.
The action was on recommendation of
City Engineer Bolling, who stated that
the cement used had given great satisfaction and had long proved its worth
in actual construction. The contract in actual construction. The contract calls for 20,000 barrels of Old Domin-ton Portland cement, at \$1.62 per bar-rel, the city reserving the right to inrel, the city reserving the right to increase the amount. The city used about 27,000 barrels last year, it being the present plan to furnish cement to all contractors, so that there may be no incentive to stint the proper mixture in all grades or concrete work. The certified check of the Stephen A. Ellison Co. for \$250 was ordered feited, and will be deposited in the city treasury.

The board heard from property owners petitioning for paying of Second

ers petitioning for paving of Second Street from Franklin to Broad, but de-ferred action for a personal inspection. The City Engineer was authorized to appoint an extra man for Washington Square as long as needed,
